

Asset Based Lending **Capital Express**

Gain immediate access to cash through accounts receivable financing.

Access to cash is critical to the success of any business. Our accounts receivable financing program provides a secure, web-based solution that enables you to gain predictable cash flow, access working capital and improve business management.

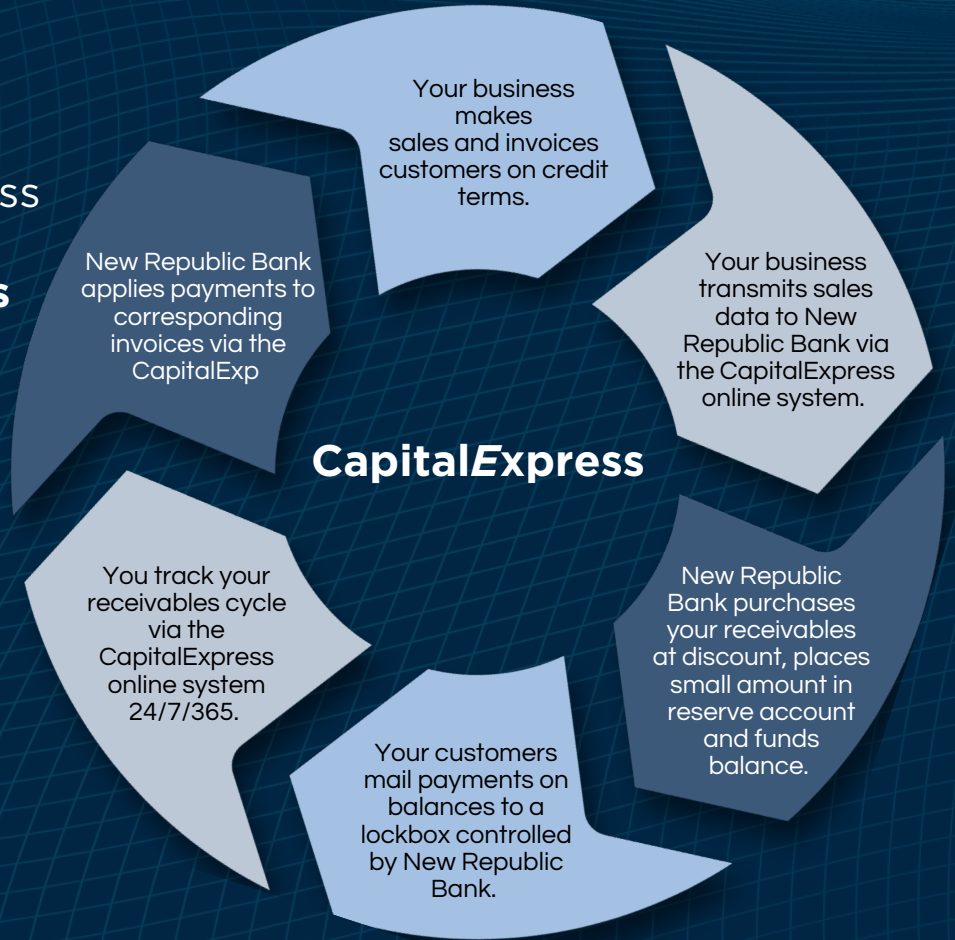

Unlock Your **Growth Potential**

Increase Profits

Conduct Business on a Positive Cash Flow Basis

Strengthen your business and capitalize on opportunities.

Benefits for your business

Establish Predictable Cash Flow

Through ongoing funding out of daily invoices, your business is able to establish reliable cash flow, allowing you to capitalize on growth opportunities and expand operations.

Eliminate Debt

You can reduce short-term debt, make payroll, pay down other obligations, and access new working capital without creating new debt. The CapitalExpress program works as a self-liquidating line of credit for your business.

Gain Competitive Advantage

Your business can offer more flexible terms to customers and take advantage of supplier discounts. An improved cash position may offer new opportunities for you to negotiate even better discounts.

Better Business Management

CapitalExpress offers superior technology and real-time reports, giving you the capability to make better-informed business decisions.
